## CHILD PROTECTION STATEMENT

The care and safety of your children when they are at the Gaiety School of Acting is our primary concern. To ensure this, the school works closely with The Child Protection Programme in the National Youth Council of Ireland. All our staff receive compulsory training annually in the principles of best practice in child protection, as laid down in the Children First Act 2015.

It is our duty to ensure that the environment of the Gaiety School of Acting is conducive to our mission to offer drama classes that encourage the development of both confidence and creativity in young people.
